

BUSINESS VOICE

August 2008

You Are Invited....

The Chamber of Commerce would like to invite you to a BBQ at the Visitor Information Centre on August 21st from 4pm-7pm for the official unveiling of the “new look.” The Visitor Information Centre staff have been working very hard over the summer to assist guests from around the world and we would like you to meet them.

We would also like to invite anyone who is new to the community within the last year. If you or someone you know is new, please invite them to the BBQ. Hope you have all had a wonderful summer.

“Discover the Riches of Your Own Backyard”

Last month we launched the Discover the Riches of Your Own Backyard campaign and we invited businesses to put a one day package together. Attached to this newsletter are a few examples of the exciting things one can do close to home. If you would like other ideas on how to spend your holiday in the region, we encourage you to contact our Visitor Centre at 992-8716 or stop in.

Laura Coleman the summer student at the Chamber of Commerce has designed a facebook site: Quesnel Travels: Discover the Riches of Your Own Backyard. We encourage people to post their favourite pictures or tell us about where they love to visit in our region.

Next Chamber lunch is September 24th from 12:00-1:00 at the Legion
