Quesnel & District Chamber of Commerce Celebrates 100 years of Professional Excellence

We would like to invite all of our members to attend our Centennial Elections January 27th. We are looking to our members for ideas on how we should celebrate this momentous occasion. Do you have ideas for a new logo? We would also like to put a book together on business over the years in our community. If you have stories we would love to hear from you. This is your celebration and we want you to be a part of it.
